

Safety Data Sheet
According to regulation (EC) n° 1907/2006
Update date : 21.07.2026

1 - Identification of the substance/mixture & of the company :

- 1.1 Identification of the substance /preparation : **ACTIV HYDRAT**
- 1.2 Use of the substance /preparation : **FEED SUPPLEMENT FOR ANIMALS**
- 1.3 Details of the supplier of the safety data sheet :
LABORATOIRE PHYSAN LA PROBIOLYSE
Z.A., 6 RUE DES AVOIRIES
22100 SAINT SAMSON SUR RANCE, FRANCE
TEL +33 2.96.39.83.32
FAX +33 2.93.39.31.13
MAIL admin@physan.fr
- 1.4 Emergency :

Country :	Official advisory body :	Emergency telephone number :
France	Physan	+33 2.96.39.83.32 +33 2.99.61.79.13

2 – Hazards identification classification according to regulation (EC) N°1272/2008

- 2.1 Classification according to the CLP Regulation (EC) 1272/2008:
The substance does not meet the CLP classification criteria. The substance is not classified as dangerous under normal conditions of use.
Substance representing a hazard: none
Saccharomyces cerevisiae: 100%
CAS N°: Not referenced
LD 50 and LC 50: Not established
- 2.2 Label elements according to the CLP Regulation (EC) 1272/2008:
Not applicable

3 - Composition / Information on the components :

- Product : See technical data sheet
- Type :
- Description : Exclusively intended to animal feed

4 – First aid measures :

- Contact with skin : Rinse with water.
- Contact with eyes : Rinse with plenty of water and seek medical attention.
- Inhalation : Blow your nose and wash yourself in cold water.
- Ingestion : Rinse mouth, do not induce vomiting, drink cool water.

5 – Fire-fighting measures :

- Non-flammable product.
- Extinguishing media : Those adapted.
- Risks : The water used for extinguishing fires, contaminated by the product must be disposed of according to the regulations in force.

6 – Accidental release measures :

- Pick up by mechanical means and rinsing with water.

7 – Handling and storage :

- Handling : No particular precautions
- Storage : In its original sealed packaging, at room temperature.
- Other data : Keep out of reach of children.

8 – Control & exposure :

Respiratory protection: Use a protective mask in case of excessive dust.
Contact with eyes: Use a protective mask in case of excessive dust.
Clothing: Individual protective clothing.

9 – Physical & chemical properties :

Physical state : Solid (powder)
Aspect : Beige clear in beige darkened (dark)
Odour : Specific of the yeasts
Solubility in water: Partial
Steam pressure : Not applicable
Steam density : Not applicable
Boiling point : Not applicable
Melting point: Not applicable
pH : NA

10 – Stability & reactivity :

Condition to avoid : None (in original packaging)
Materials to avoid : None.
Hazardous decomposition products : None.

11 – Toxicological information :

Stability : Stable under normal conditions of use and storage.
Incompatibility : No dangerous incompatibility under normal conditions of use.

12 – Ecological information :

Not harmful to the environment, biodegradable.

13 – Disposal considerations :

Product: No special recommendations, except compliance with local regulations.
Packaging: Empty packaging as best as possible and dispose of it according to composition according to local regulations.

14 – Transport information :

Not concerned by the regulations of the transport of dangerous substances.

15 – Regulatory information :

Not concerned by the labeling of dangerous substances and preparations.

16 – Other information :

The information provided on this safety data sheet is considered, as of the date of publication, as true, correct and given in good faith. This safety data sheet completes the technical data sheet but it does not replace it. The information contained herein is based on our knowledge of the product concerned as of the date indicated.

EC regulation : Comply with European legislation on complementary and complementary dietary supplements and raw materials for farm animals.

Other data :

« We inform users about the risks involved when a product is used for other purposes than those for which it is designed.

The user must know and apply all the regulations governing his activity. »
